HAMMERSTEIN WILL AGAIN ENTER OPERA

NEW YORK, July 15.—Oscar Ham-
merstein is going to "come back" in
the operatic field. True, he is under
limitations, in view of his recently
signed contract with the Metropolitan
Opera company, but he has other plans.
Although ill when he stepped from the
Lustiana today after a trip abroad,
the impresario subsequently issued a
statement telling what he proposed to
do. Here is part of it:

"I am out of grand opera in New
York, Philadelphia, Boston and Chicago
and within a radius of twenty miles of
these cities. But I have not given up
the field. My future labors will be con-
fined to circuits outside these cities. I
have already taken steps to organize a
grand opera company to tour the coun-
try the season after next."
The Manhattan Opera House in this
city, which he still owns, will he says,
become a home of comic opera.

WEATHER TERMS ILLUS- TRATED.

Maiden with a powder puff
Dabbling here and there—
This reported weather-wise
Means "Continued fair."

Hobby coming home at one,
Zigzag course a-wending—
Weather signal in this case
Would be "Storm impending."

Baby climbing on a chair;
If she slips and falls
It is not unlikely that
There'll be "Sudden squalls."

Girl and lover have a spot,
She dings down his flowers;
Lover, angry, grabs his hat
And rushes off—that's "Showers."

Man sees tailor on the street,
Seems a trifle nettled,
Crosses to the other side—
That suggests "Unsettled."

CAN YOU BEAT THIS?

There are some men who won't buy a
\$5.00 gold piece for \$4.00, even if you
prove they are genuine; these are the
men that bury their money rather than
trust a bank; they know some banks
have failed. This condition also applies
to oil stock. I have without any ques-
tion the best oil proposition ever offered
in Honolulu. A small investment in
Lakewood No. 2 might put you on easy
street for the balance of your life.
Some of the brainiest men on the
Islands have invested their thousands;
they have carefully considered the
chances of success in every detail; you
can safely follow their examples. It is
9 to 1 in your favor. Shares now 25c.
After July 31 positively 30c. Come and
see me or phone 690 for reservation.

LOCAL BREVITIES.

This evening the Hawaiian band will
play at the Moana Hotel for the yacht
club reception.

Mayo Soda yesterday obtained a di-
vorce from her husband, Huroku Soda,
on the grounds of desertion, decree be-
ing granted by Judge Robinson.

The court martial of Lieutenant
Barthfield, of the United States Marine
corps, may be concluded today, the
witnesses having been examined.

The Tenyo Maru will not arrive from
Yokohama until two o'clock this after-
noon, and will, therefore, not leave for
San Francisco until tomorrow forenoon.

The Hawaiian band will play this
morning at the departure of the Mon-
golia for San Francisco, and possibly
for the Tenyo Maru. The Sunday af-
ternoon concert will take place at Ath-
letic Park.

The Hawaiian Iron Fence and Monu-
ment Works yesterday completed the
moving of its stock to its new quarters
on the makai-Ewa corner of Merchant
and Alakea, closing a week of transfer
by moving 100 tons. The property where
the company is at present situated was
lately purchased by Harmon E. Hen-
driks, the manager.

The Philippines government is com-
pleting plans for the construction and
maintenance of an aquarium and it will
be ready for use in a few months. The
Manila Times states that "the project-
ors of the plan have the famous Hono-
lulu aquarium in mind and they hope
eventually to have a larger institution
and a finer collection."

V. Wilcox, and "A Study of the Com-
position of the Rice Plant," by W. P.
Kelley and Alice R. Thompson, two
bulletins of the Hawaii Agricultural
Experiment Station, have just been is-
sued. The bulletins deal with local sub-
jects in practical ways and should be
of value to stockmen and rice planters.

Benjamin Pittman of E. P. Hollander

as follows: "Charles A. Brown of
Lowell sent me today a copy of your
issue of Sunday, June 12, in which
were a number of portraits and short
sketches of some of the women who
figured at the court of Queen Emma.
As my sister was one of them I should
be very much interested to obtain a
copy."

Mrs. Metta S. Mack, superintendent
of the Susannah Wesley Home, leaves
on the Lurline, August 9, for the main-
land, where she will spend a vacation
and give illustrated lectures on "Our
Missionary Work in Hawaii," and
"The Beauties and Charms of the Is-
lands." Mrs. Mack is an excellent
speaker. She has had printed a leaflet,

ver she goes.

LAHELA LOUISSON'S HUSBAND IS DEAD

Jacob Moritz, the wealthy Salt Lake
City brewer, who married Lahele Loui-
sson, sister of Abe Louissou, many years
ago, died recently in Europe. Mrs.
Moritz spent the last twenty years
away from Honolulu, where she was
born, and had resided most of the time
in Salt Lake City, where the Moritzes
maintained a handsome home. Mr. Mo-
ritz was one of the leading men in
Salt Lake, and was occasionally inter-
ested in politics.

Mrs. Moritz was a belle in her youth,
which was spent in Honolulu. She was
a splendid horsewoman, and her span
of blacks in Salt Lake always attract-
ed attention.

of life the average man with a few re-

saved by having a bottle of Chamber-

Remedy in the home. No doctor can
